Wells Home Café

*The world's one and only Tea X Coffee
Capsule Machine*

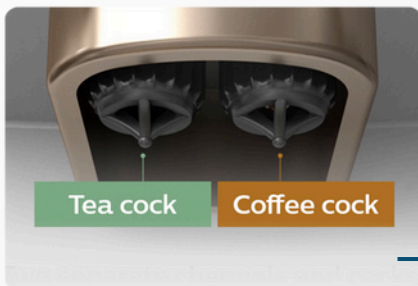

Winner of world-famous
design awards

reddot winner 2021

The first home café in the world with dual feature

To preserve the natural taste of the tea and coffee, Wells Home Café extracts the drinks with dual extraction feature. The two separate channels, cocks, and capsule drawers prevent the drinks from getting mixed.

Choose from tea or coffee.
The dual extraction feature
prevents the two from
getting mixed.

Two separate capsule drawers
can be used separately for tea
and coffee.

Premium and slim design

Transform your kitchen with the sophisticated Wells Home Café, adding a touch of luxury to your space. Pair it with the Wells The One Water Purifier System to complete the perfect kitchen upgrade.

1 Select 3 tastes with the touch slide

2 Capsule holder open/close alarm

Alarm will sound to indicate when the holder is not equipped
*Proper extraction requires appropriate holder to be equipped

3 Cleaning alarm

Alarm will sound for cleaning after 10 extracts.
*You can clean the machine whenever you want, regardless of the number of extracts.

4 Pre-heating LED

LED will turn off when pre-heating is complete.

5 Tea + Coffee extract button

6 Sliding capsule drawer

*No need to operate manual levers. Just insert a capsule.

The filtration system supplies clean, purified water to both Wells The One Water Purifier & Home Café.

9-step Comprehensive Nanofiltration

Wells water filter technology maintains the minerals and filters out harmful substances such as **Heavy Metals** and **Norovirus**.

1st Filter

Multi-Carbon Plus Filter

5-step Filtering System

Removes 4 types of heavy metals

- Step 1: Removes suspended solids and residual rust
- Step 2: Removes residual chlorine and bad odours
- Step 3: Removes heavy metals
- Step 4: Prevents the buildup of bacteria
- Step 5: Maintains pH level

NSF Certified

2nd Filter

Neo Nano Clean Filter

4-step Filtering System

Removes norovirus and dispenses clean water with natural minerals

- Step 6: Removes suspended solids and residual rust
- Step 7: Removes norovirus and bacteria
- Step 8: Removes micro particles, foul odours, and bacteria
- Step 9: Improves water taste, and maintains minerals

Product Specification

Basic Specifications	
Product	Wells Home Café
Model	WN920ZWA
Dispensing Method	Direct-dispenser type
Product Size (WxDxH)	128mm x 203 x 338mm
Product Weight	3.5kg
Performance Functions	
Sanitary/sterilization capabilities	High temperature cleaning (Alarm sounds for cleaning after 10 extraction)
Sanitary/sterilization care services	Capsule drawer/insert cleaning, product exterior cleaning, cock tip cleaning
Extraction method	Tea & Cofee Dual Extraction, 19 Bar High Pressure Extraction
Energy Usage	
Power Consumption	1450 W
Power Supply	220 - 240 V~, 50 / 60 Hz
